ICT Based Teaching - Learning Report 2023-24

It is a matter of immense pleasure for us to submit the report of ICT Based Teaching-Learning for the academic year 2023-24. The Department of Commerce used innovative teaching method for U.G & P.G Programme in the academic year 2023-24. The teacher used computer, internet, LCD projector, Android Mobiles, YouTube Videos, WhatsApp etc. The optimum use of ICT tools facilitated our students to learn All subject easily and more effectively. Moreover, the ICT based learning helped a lot to create and sustain interest among our rural and tribal students.

Use of ICT Tools in Teaching

1. Multimedia tools were used to offer optimum exposure to the students of Commerce. Students were acquainted with various useful educational internet websites.
2. LCD Projector was used frequently for the power point presentations based on the topics prescribed for the syllabus.
3. Students were encouraged and guided to make power point presentation on the topic of their interest.
4. Students were motivated to make appropriate use of their Android Mobiles by installing the required mobile apps, YouTube Videos, etc.
5. Separate YouTube sessions were conducted for the appropriate usage.
6. The students were encouraged to create Google Classroom WhatsApp groups to share study material downloaded from various online sources.

ICT BASED TEACHING REPORT 2023-24

'Aim of ICT Based Teaching'

"To Help the Students to Become Competent and Confident and Be Able to Use the Basic as Well as Advanced Knowledge and Acquire Skills to Assist and Enhance Their Daily Lives"

During the academic year **202324**, an ICT Based Teaching was organized in **Marathi Department**. The students During the ICT Based Teaching of the academic year, the faculty members guided them as guidance to students.

Through considering the above aim and objectives students were educated by providing them the opportunity through the modern teaching aids. Economics department provides the various kind of teaching-learning material to students, viz. You Tube videos, links, PPTs, e-books, educational website and video lectures.

With this facility faculty members teach the student through You Tube videos, links, PPTs, e-books, educational website and video lectures. For sharing the knowledge and information our students created class wise Whats App group with the help of professors.

Students from FYBA , FYB.com, SYBA – G2, SYBA S – 1, SYBA S – 2 , TYBA G – III, TYBA S -3, TYBA S – 4,MA, were selected. The study materials, E-Books, Audio Video Clip, YouTube Video, Video Lectures and PPT were shown for these students. All of these factors have benefited to these students. While studying these classes, these students were found to have difficulty in acquiring basic concept skills. It was possible to guide them in that direction. These classes were organized by the Head of the Department. College Principal has given permission for these ICT Based Teaching lectures for Students improvement towards ICT Base knowledge. They thanked the department for this.
