National Unity Day provides an opportunity for students in this program to affirm the inherent strength and resilience of our country to maintain its unity, integrity and security. In honor of Sardar Vallabhbhai Patel, the Government of India built the world's tallest statue of Sardar Vallabhbhai Patel near the Narmada River in Gujarat, symbolizing the strength of unity in India. The main objective of this program is to increase the unity of the country and create public awareness about the contribution of Sardar Vallabhbhai Patel in Indian history. In this program, the students gave information about how Sardar Patel merged 565 princely states in India in 1947 to keep Indian unity intact. A total of 16 students of History Department participated in the National Unity Day programme.

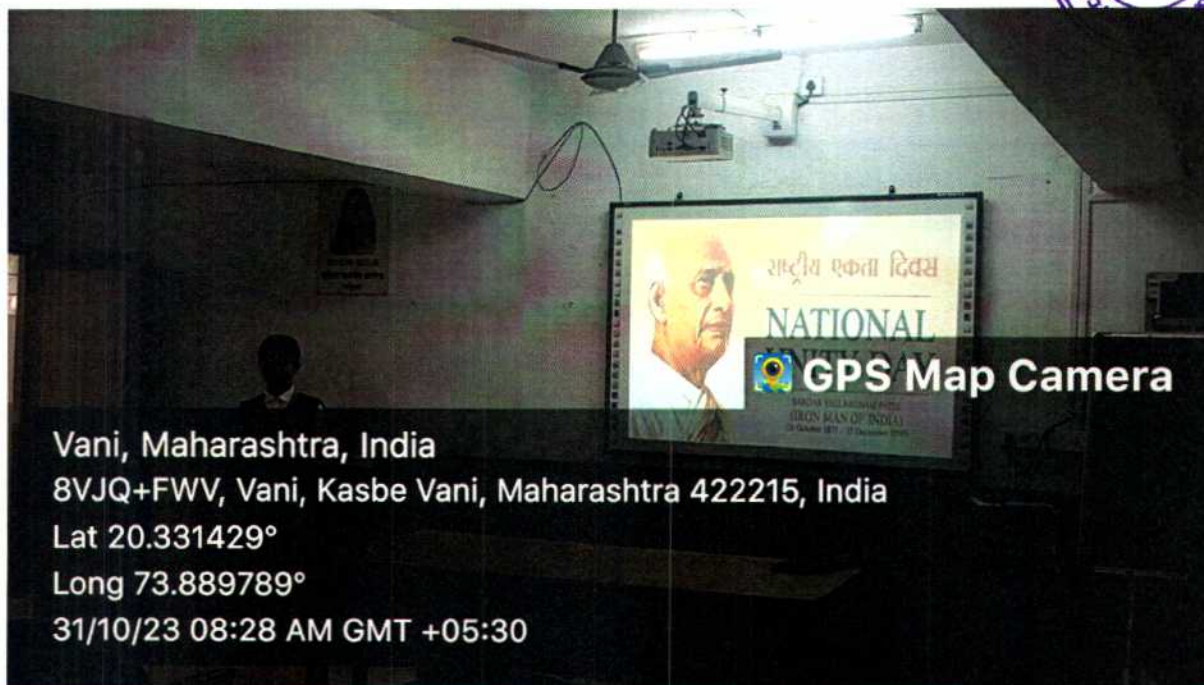

Programme Outcome

The Voters Awareness Rally was organized on April 6, 2024, at Karmaveer Raosaheb Thorat Arts, Commerce, and Science College, Vani, under the guidance of Principal Dr. R. N. Bhavare. The event was a collaborative effort between the National Service Scheme (NSS), the District Collector Office, Nashik, and Panchayat Samiti, Dindori. The rally aimed to create awareness among the residents of Vani about the importance of voting and their role in the democratic process.

Objectives of the Rally:

1. To educate the public about their voting rights and responsibilities.
2. To emphasize the significance of active participation in the democratic process.
3. To motivate citizens, especially the youth, to exercise their franchise responsibly.
4. To increase voter turnout in the upcoming elections through awareness and engagement.

The rally began with an inaugural address by Programme officer, who stressed the need for responsible voting and the role it plays in strengthening democracy. The rally route covered key areas of Vani village, including the main market area, Gram Panchayat Office, bus stand, and school street, ensuring maximum reach. Volunteers carried banners and placards with impactful slogans such as "Your Vote, Your Voice!", "Be a Responsible Citizen – Vote!", and "Every Vote Counts!" Throughout the rally, NSS volunteers engaged with the public by distributing pamphlets explaining the voting process and the importance of voter registration. To make the event interactive and educational, the volunteers performed street plays at prominent locations, effectively capturing the attention of villagers and spreading the message of responsible voting. The rally saw enthusiastic participation from NSS volunteers, college students, faculty members, and representatives from the local administration. Villagers actively interacted with the participants, expressing their appreciation for the effort and showing keen interest in the importance of voting.

Outcomes of the Rally:

1. **Increased Awareness:** The program successfully educated the community about the value of their vote in shaping the nation's future.
2. **Positive Engagement:** Villagers demonstrated a heightened understanding of the voting process and pledged to participate in the upcoming elections.
3. **Youth Participation:** The event inspired students to take an active role in civic engagement and social responsibility.

The rally concluded at the college premises with a sense of accomplishment and renewed commitment to democracy. Such initiatives play a crucial role in empowering citizens and ensuring a stronger democratic framework for the nation.
